PROJECTS (ALL IN MY GITHUB)

Weather Forecast Worldwide (HTML5/CSS3/JavaScript)

- Application with API consumption to check weather, temperature and humidity of cities worldwide.

News Website (HTML5/CSS3)

- Developed a responsive website to improved user experience.

Portfolio (HTML5/CSS3/JavaScript/ReactJs/Bootstrap)

- Responsive, user-friendly portfolio showcasing my lastest projects (work in progress).

Currency converter (HTML5/CSS3/JavaScript)

- Responsive, user-friendly currency converter to several different currencies (work in progress).

VOLUNTEER WORK

Vice President of Student Council

Universidade Estácio de Sá

[2016 to 2018](#)

Volunteering at CIERI UNESA, the Academic Council of International Relations Students at Estácio de Sá University in Rio de Janeiro, Brazil. I volunteered for 2 years, where I had a secretarial role and later Vice President of the University Student Body.

Volunteer Teacher

Universidade Estácio de Sá

[2016 to 2018](#)

I gave weekly tutoring sessions to those who were interested in learning or practicing English for 2 years. In addition to tutoring, I also coordinated the whole voluntary academic program on my campus, in which we had other languages available such as: Spanish, French, Chinese, Korean, Swedich, etc.
